

Driving Courses for Older People Safe with Age

These driving courses, which are held throughout the year are fun, low key and focus on assisting people to regain confidence in driving and knowing the current road rules. They are now being held in a variety of venues in and around Christchurch. Some of these venues are easier to access and find parking ie. Beckenham Service Centre near the Cashmere Club has easily accessible plentiful parking.

Wainoni Methodist Church opposite Porrit Park on Avonside Drive has adequate parking.

Other venues where parking access may be more difficult include:

St Matthews on Cranford Street

Ilam Presbyterian Church & St Stephens, both of which have about 10car parking in the grounds.
