

Mini Bus Outings

Age Concern Canterbury work with older people to change their lives for the better. The Minibus Outings Service addresses the issue of loneliness. The criteria for referral is that you are socially isolated, or cannot use public transport or do not drive a car. The van used does not have a wheelchair hoist. A volunteer driver collects passengers between 1 and 1.30pm and takes them for a leisurely drive and on to a volunteer host for afternoon tea.

Afterwards you are returned home at approximately 4.30pm.

There is no charge for afternoon tea but a minimum donation of \$5.00 to Age Concern Canterbury would be appreciated.

You can contact the Co-ordinator by ringing (03) 366 0903. Your details will be recorded and when the minibus outing is being organised for your area you will be contacted.
